U.S. DISTRICT COURT ST. PAUL

STATE OF MINNESOTA        )

) ss. AFFIDAVIT OF MARTIN R. SIEBENALER

COUNTY OF Hennepin        )

I, Martin R. Siebenaler, a Special Agent with the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF), having first been duly sworn upon his oath, deposes and states as follows:

1. Your affiant is employed as a Special Agent with the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) and has been so employed for approximately nine years. I am currently assigned to the Joint Terrorism Task Force via the St. Paul, Minnesota, ATF Intelligence Group. In this capacity I am assigned to investigate violations of the Federal arson, explosives, and firearms laws. I have successfully completed the Criminal Investigations Training Program (CITP) and the ATF Special Agent Basic Training (SABT) Program at the Federal Law Enforcement Training Center (FLETC). Additionally, I have specialized training as an Interstate Nexus Expert. Previous to ATF, I served as a Deputy U.S. Marshal in the Eastern District of Michigan for over four years.

2. Your affiant bases this affidavit on his personal participation in this investigation, as the case agent, discussions with other police officers directly involved in this investigation, as well as having reviewed official reports submitted in relation to this investigation. The information contained in this affidavit is provided for the purpose of establishing probable cause for the complaint and does not contain all the details of this case known to me.

3. On August 6, 2010, at approximately 6:30 pm, officers of Hennepin County Violent Offender Task Force (V.O.T.F.) executed a search warrant at 1611 Adams Street N.E., Minneapolis, Minnesota, the home of ADONIS ADOLF DORMAN, w/m, d.o.b. 02/27/80. Officers entered the residence and observed DORMAN and several other individuals in the living room. DORMAN then ran into the bathroom and threw a handgun from the window. Officers located a Charter Arms .44 caliber revolver, serial number 278798, on the ground below the bathroom window. Officers noted that the screen for the bathroom screen had been pushed out and was laying on the ground. In a post-Miranda statement, DORMAN admitted handling the revolver and knowing he is a convicted felon which prohibits him from possessing firearms. In addition to the .44 caliber revolver, officers recovered two 12-gauge shotguns in an illegal bedroom on the third floor of the residence. Officers also located 12-gauge shotgun ammunition in the defendant's bedroom, and other rounds of handgun ammunition in a separate bedroom in the residence.

4. Your affiant has obtained and reviewed certified court documents which indicate that ADONIS ADOLF DORMAN has been convicted of the following felony offenses:

- 2009, 2<sup>nd</sup> Degree Sale of Methamphetamine, Freeborn County, Minnesota
- 2001, 4<sup>th</sup> Degree Criminal Sexual Conduct, Waseca County, Minnesota
- 1999, Burglary, Gwinnett County, Georgia

5. Through research material, knowledge and experience, your affiant has concluded that the Charter Arms .44 caliber revolver bearing serial number 278798 was manufactured

in Connecticut and at some point after manufacture traveled in interstate and/or foreign commerce to the State of Minnesota and is a firearm as described in Title 18, United States Code, Chapter 44, Section 921 (a)(3).

6. Your affiant knows that pursuant to Title 18, United States Code, Section 922 (g)(1), it is unlawful for any person who has been convicted in any court of a crime punishable by imprisonment for a term exceeding one year to possess, in or affecting commerce, any firearm or to receive any firearm which has been shipped or transported in interstate or foreign commerce.

7. Based on the facts set forth above, your affiant believes there is probable cause to believe that ADONIS ADOLF DORMAN violated Title 18, United States Code, Section 922 (g)(1).

Dated this 13 day of October 2010.
